

GREAT SPIRIT SHOW & SALE 2007

Well another great year for the Great Spirit Show & Sale!

It is always nice to see everyone in the industry get together to support and converse about such a valued industry! We really appreciate all the support we received from our out of province consignors, as well as those that ventured to Brandon to take part in the Seminars and take in the Awards Banquet. It always great to see such turnouts! Thanks to everyone!
